

Aum Amriteswaryal Namah

As we all know "**Greatness is not only found in possession, power or prestige-It is discovered in genuineness, humility, service and character**". With this thought Amrita Vidyalayam would like to place the annual report of the academic year 2022-23.

"Education is the foundation of a civilized society". AMRITA ensures that each aspect of the school life provides an avenue for the students to grow to their full potential and develop the competency to face the challenges of today's world with VALUES.

Always the school expresses gratitude to our eminent management, past and present whose vision, wisdom and passion inspired all stakeholders to work with zeal and commitment, the school also, would like to express our regards to each and every person who walked along parents, teacher and students who contributed in this journey of excellence.

Assembly:

The Morning Assembly is an essential part of the school schedule. Amrita's assembly has a subject-wise thematic schedule which fosters the spirit of group activity, leadership and value building. Everyday a specialized format is followed to give ample opportunities to the children to express themselves through multifarious activities.

Classrooms:

Amrita Vidyalayam classrooms provide a complete joyful learning atmosphere with spacious and ventilated classrooms with big windows to let a lot of natural light shine through. Every room is supported with a smart board and are always tailored to the topic to keep up the learning spirit of the children

Library:

A library is a temple of learning. The school houses a Library that covers fiction and non-fiction in all genres. It has a large number of encyclopaedias and sports related books. The goal of our school library is to ensure that all students of the school have equitable access to books and reading and to information technology.

Laboratories:

At Amrita we have well equipped Science lab, Math lab and Computer lab to expose our students to project based learning. Through lab activities, we ensure that our children get the opportunity to carry out the experiments individually and retain the knowledge for a longer period of time.

Assessments:

Assessments are very essential as they measure students' achievement in order to maximize the students' learning and to modify instruction according to the individual needs. We have three mid-term examinations to assess the students periodically. Half yearly and annual examinations are also conducted to evaluate their summative performances.

Parents Teachers Meeting:

After each assessment we conduct Parents teachers meeting as it is an opportunity to exchange observations of a child with each other. Sharing daily experience and observation provide a wider prospect for parent and teacher to plan, prepare and execute planning for better learning outcomes of a child.

Our achievements:

In today's educational scenario academic excellence is an important yardstick of a school's magnificent performance. Our students too have spread their wings and flown high to achieve excellent results in CBSE AISSE 2021-22 examinations with centum in mathematics by Pranvi Nallamothu. We have once again achieved 100% result with distinction and with first class. This success is also the untiring effort of the teachers whose supreme art is to awaken joy in creative expression and knowledge. The steady dedication and commitment of our team of teachers who were behind this crowning achievement indeed deserves appreciation. In the academic session 2021-2022, 11 students of class X brought laurels by achieving A 1 grade in the CBSE board examination and we're very proud to say 75% and above got distinction 25% in first class.

SKILL HUB:

The National Educational Policy 2020 entails development of students towards more holistic and multidisciplinary education to develop all capacities - intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. The skill hub initiative is one such innovative approach implemented as per the guidelines of Pradhan Mantri Koushal Vikas Yojana 3.0 scheme We, the school, are proud to say we have started this in our own school with the subjects Data Entry and Hand Embroidery. We have seen the improvement in our students, in gaining extra knowledge and skills which might help them in the future. In the coming year, we will extend this scheme even to the needy.

Training Programme:

To prepare the future individuals of our nations to be skilled and well informed, our beloved teachers had undertaken various training programmes conducted by CBSE and also our management had conducted various CBSE workshops.

SAFAL:

Our school has opted for the SAFAL (structured assessment for analysing learning) examination. The purpose of this exam is to motivate the education system towards competency based learning.

ACADEMIC COUNCIL AND SCHOOL COUNCIL:

As Tagore said, "A lamp can never light another lamp unless it continues to burn its flame". So to enable the teachers to keep pace with the modern trends in teaching and learning processes they are sent to various training programmes conducted to CBSE and other empanelled agencies which includes Improvised latest NEP curriculum, Vocational Education, School quality Assurance, Special

education on disabled children etc. Being sensitive to the needs of the slow learners, we are grateful to the services rendered by our beloved teachers in identifying, counselling and guiding such students at a personalized level in order to help them join the mainstream. An academic council comprising the Heads of all teaching departments keeps tab on the academic progress of the school.

Leadership is a capacity to translate vision into reality

The Investiture Ceremony of Amrita Vidyalayam School for the academic year 2022-23 was held with great dignity in a special ceremony at the school. The event was presided over by the school principal, School pupil's leader, school prefect, House captains and the subject convenors which gave a strong belief that the child centric approach will frame a responsible citizen. The ceremony was held with lots of zeal and zest.

Here we come with a student council composed of Captains and vice captains categorized under 4 houses- Amritamayi, Anandamayi, Jyothirmayi and Chinmayi. The whole school is divided among these groups and their hidden talents are nurtured through Amrita Fest Competitions.

Love you Life Workshop:

This workshop was conducted in the month of June by Dr.Malini, Ms.Varsha and Ms.Radhika from Amrita Vishwa Vidyapeetham. The program motivated the students to conquer their negative thoughts and emotions and analyse their actions and behaviour. The workshop provided an amazing awareness and information to the students.

Guru Purnima Celebrations:

Guru plays a vital role in one's life. The Guru Purnima celebrations were held with intense joy and zeal. Students of Amrita Vidyalayam performed the Guru Paadakapooja for Amma and Samskrutipooja for one's dearest parents. It's one of the auspicious events celebrated in our school.

Ganesh Chaturthi:

Prosperity, happiness and good health are the three main components of a peaceful life. Lord Ganesha among the various powerful Hindu Gods is said to be the god of prosperity and wealth. This festival was done greatly and was eco-friendly in the school.

Independence Day Celebrations:

The celebrations of the 75th anniversary of the Independence Day brought out the patriotic fervour in one and all.

Krishnashtami:

Krishnashtami was celebrated at our school in grand form. Krishnashtami is a celebration of the birth of Sri Krishna, the lord who was born to kill Kamsa, the evil demon king and to save mother Earth from his terror.

Teachers' Day Celebrations:

The students of Amrita Vidyalayam expressed their thanks wholeheartedly to teachers. ACHARYA VANDANAM is what students of Amrita Vidyalayam do to appreciate the dedicated spirit of teachers on this special day. All efforts were made by the students to make it. Each student showed their gratitude performing archana and padapuja to the acharyas with sincerity and love. In return teachers blessed the students. Our students organized a variety of events to entertain their beloved teachers.

Amma's birthday celebrations:

With the compassionate grace of our beloved Amma each event in our school is a successful one. To show gratitude to our Amma, with love and worship we celebrated Amma's birthday in our school.

Excursion:

Travel expands your horizons and life cannot be completed without the fun of educational tours and excursions. In October, our school organized a beautiful and fun trip to Lonavala. It was a 4 day trip filled with many memories and fun with our friends. During these 4 days the students were treated really well and got to experience star-class activities and they primarily toured with an AC bus. The students visited many places like Ekvira temple, Sunil's wax museum, and the Monteria village. The most educational experience was in Monteria village, where the students learnt many skills like pottery, hand weaving and cultivation of crops. In Monteria village, a modern approach was utilized to grow exotic plants using only water slides.

Diwali:

The day was marked by a special assembly in the school highlighting the message of green, clean and peaceful Diwali. The students showcased the spirit of Diwali through a skit and a dance performance which brought great joy to the audience. The students celebrated Diwali with activities including making colourful diyas.

Unity day was celebrated in our school in a magnificent way.

Gita Jayanti Celebrations:

Gita Jayanti was celebrated by the students by rendering shlokas and verses from The Bhagavad Gita. And our beloved teachers recited all 18 chapters of the Bhagavad Gita on that special day.

Children's day:

We commemorated it with immense joy, enthusiasm and magnificence. The tiny tots participated in a fancy dress competition.

General health Check-up:

The school always puts the student first, this was seen when the school had organised a mandatory general health check-up to ensure the health of the students. And those who were not fit were given suggestions on how to improve their health.
