

# Curriculum

- We meticulously follow the CBSE standardized curriculum from Class I to X.
- The Curriculum is based on CBSE directives and NCERT course. All Aspects of academics are taken care of with due emphasis on interactive learning .Theory and Practical are given due importance.
- Our curriculum adds qualitative content beyond the prescribed syllabus, maximizes students progress in intellectual, spiritual, emotional, physical, cultural and artistic fields: designed to give students an in-depth mastery of the academic disciplines and applies functional areas.
- Infact, the objective is to shape a child's mind to learn not just for the grade he is in , but to learn for life with a chain of activities needed to translate education goals to concrete activities that are relevant to its needs.
- Assignments and tests are given on periodic basis . Evaluation is based on comprehensive assessment of performance throughout the year .
- The various fields are class response, lab activity, project work, ASL, participation in cultural activities, personality, response and sensitivity to environmental and social issues, discipline and soft skills etc.
